

Hello Everyone!

It's Cybersecurity 1st Friday!

Welcome back to a New Year with our January event!

Remember that you are required to register for the event and check in once you get to the NCC!

We will hear from Angie Condon Strategic Partnerships Manager and Military Outreach at Western Governors University. She will provide an overview of their academic programs and highlight their resources.

Peter Sopczak will provide an update on his company, Static Solutions Security Consulting, LTD and their security offerings. We will introduce Halie Anthony, Founder, RISE Executive Coaching, where she will explain about their executive management and coaching services.

Finally, we will hear from Blake Schwank, founder and President of CCS IT Pros, a managed service provider (MSP) that has been doing business since 2001 in Colorado and other parts of the United States. He'll describe what they are contributing to the ecosystem!

This month's food truck is: Peak Crepes: <https://www.peakcrepes.com>

We will have updated community announcements and other event dates as well and we will have some additional Cybersecurity First Friday merchandise.

January's First Friday will be held at the National Cybersecurity Center and is co-hosted by the Murray Security Services and Colorado Springs Chamber & EDC.

REGISTRATION IS REQUIRED: [www.cybersecurityfirstfriday.com](http://www.cybersecurityfirstfriday.com)

Please create an account and/or register for January's Cybersecurity First Friday on our website!

So, grab your favorite beverage and join us.

Hope to see you there!
