Hello Everyone!

It's Cybersecurity 1st Friday!

Welcome back to our March event!

Remember that you are required to register for the event and check in once you get to the NCC!

This month we will hear from Camille Lavon, Director of Business Development, at the Colorado Springs Chamber & EDC. She will share with us "Find your COS"!

We will also get an update from recently elected Congressman Jeff Crank's office. Crank serves on the House Armed Services Committee and the Cyber, Information Technologies, and Innovation subcommittee, as well as others.

Another special guest, Rodney Petersen who is the Director of the NIST NICE program is in town and has agreed to provide an update to our community as well!

Finally, we will hear from Todd Cook, Director, Cyber Domain at Ensco Inc. He will introduce his team who will provide updates on their contribution to our ecosystem. Ensco is this month's event sponsor!

This month's food truck is Rocco's Mobile Food: https://roccosmobilefood.com

We will have updated community announcements and other event dates as well and we will have some additional Cybersecurity First Friday merchandise.

March's First Friday will be held at the National Cybersecurity Center and is co-hosted by the Murray Security Services and Colorado Springs Chamber & EDC.

REGISTRATION IS REQUIRED: www.cybersecurityfirstfriday.com

Please create an account and/or register for March's Cybersecurity First Friday on our website!

So, grab your favorite beverage and join us.

Hope to see you there!

Shawn & Vinnie
